

WELLINGTON ARENA

We have taken the standard block and rail system and made it better. The Wellington Arena features a set-in design that is user friendly for set up. The rails are pre-measured so you simply place the rail into the supports which assures perfect measurements every time. The Wellington supports are made with white UV stabilized polyethylene. The 100% UV treated material is super tough and durable and will withstand abuse and all weather conditions. The Wellington Arenas are highly stable in high wind areas. We use 1 1/2" x 5 1/2" ribbed rails (not hollow) that are made of 100% UV resistant PVC. Ribbed rails add strength, durability and eliminates sagging. The Wellington Arena sets the rail height at the 12" required height.

The supports (Cones) are also sold separately and designed to house round rails. If you choose you can set up your arena using fence rails or jump rails you have on hand. This unique design offers advantages not found with other arenas.

ARENA FLOWER BOX

Burlingham Sports has designed a beautiful Arena Flower Box that can be used along with the Dressage Arena or just around the show barn. This beautiful, traditional looking box will hold up to a 5 gallon plant or multiple single gallon pots. The Arena Flower Boxes can be used with your Dressage Arena by hanging Rail Letters over the top edge of the box.

ARENA LETTER MARKERS

Save the hassle, time and money with no more tape. Markers contain a red 2" x 5 1/2" UV plaque and have a channel attached on the back, which simply snaps into place on any 1 1/2" dressage arena rail.

- #930LM LETTER MARKERS SET OF 8
- #932LM LETTER MARKERS SET OF 12

RAIL LETTERS & WALL LETTERS

These high quality Rail and Wall Letters are 8" x 12" and UV treated. Each plaque displays the main letter and the centerline letter. Letters are silk screened onto the plaque eliminating the chance of adhesives working loose. Each plaque is die cut with rounded corners and the Rail Letters have 1 1/2" channels attached to the back of each plaque.

CLASSIC ARENA

This Classic Arena offers a simple, classic design that is safe, lightweight and easy to install. For permanent or temporary installations, the Classic Arena is available in either the post anchor system or the base weight system. The posts are 5" x 5" x 16" and the rails measure 1 1/2" x 5 1/2" and are set at a height of 14". The Classic Arena includes two decorative round ball caps for the gate area.

- #942CA CLASSIC ARENA W/POST ANCHOR SYSTEM - 20 X 40 METER
- #940CA CLASSIC ARENA W/POST ANCHOR SYSTEM - 20 X 60 METER

Available for the Classic Arena only are two styles of caps for the gate entrance area. The Gothic Top and the Horse Top.

- #930GT GOTHIC TOP (EACH)
- #930HT HORSE TOP (EACH)

JUNIOR CLASSIC ARENA

This Junior Classic offers the same great design as the Classic but in a smaller version at a more affordable price. The Junior Classic comes standard with the Post Anchor System for permanent installation. The Post are 4" x 4" x 14" and the rails measure 1 3/4" x 3 1/2" and are set at a height of 12". The Junior Classic includes two decorative round ball caps for the gate area. The Junior Classic is a great permanent arena for any training facility or stable.

ELITE LETTERS & TOWER LETTERS

Burlingham Sports dressage letters are designed to withstand even the windiest conditions. These exceptionally stable cones have the appropriate letters and centerline letters painted on at a height that allows the letters to be seen from a distance over all types of dressage arena rails. Our unique design prevents the cones from sticking together when stacked and the recessed cup at the top of the Tower Letters allows you to decorate them with flowers or utilize a flower pot for a touch of color.
